Dear Parents of High School Students and Guests:

Heritage Christian Academy seeks to honor God and bring Glory to the name of Christ in all we do and say; which includes how we dress for school functions – specifically Heritage sponsored dances. Homecoming and Prom are two of our bigger events when students want to dress up, although, for Homecoming, the dress tends to be not as “formal” as prom.

Unfortunately, homecoming and prom dresses for young high school girls are designed by copying the latest Hollywood fashions, meaning the styles are often sexually suggestive and more appropriate for adults than teenage girls. What looks modest and appropriate while standing in a store dressing room becomes an entirely different situation when girls begin to sit, stretch, bend and move around, especially on the dance floor.

Neither teacher sponsors nor parent sponsors want to ruin the evening by asking a young lady to change her dress, so please be mindful of the following when you shop.

Please avoid the following:

- Bodice with scoop or plunging neckline
- Slits or cut-outs anywhere on the bodice
- Bare backs below the normal horizontal bra line
- Slits on the skirt that go more than an inch or two above the knees
- Hemlines more than an inch or two above the knees
- Adult “cocktail” dresses that seem to have many of the items listed above

We hope that both Homecoming and Prom are wonderful nights for all students involved. We know it will be if everyone makes an effort to honor our Lord in what they choose to wear.

In Christ,

Michael P. Cuckler
Head Administrator
