Additional supplies:

AP Biology

AP Textbook, Study guide and composition notebook

Biology

One composition notebook
Book cover (hard)

Chemistry

3X5 **lined** index cards
1 composition notebook
Basic calculator
Stretchy book cover

Geometry

One additional set of dividers (10 total dividers)
TI-30XIIB (battery) or TI-30XIIS (solar) calculator (or a graphing calculator if you already have one)
Loose leaf graph paper
Compass (with screw adjustment)
Protractor
6" ruler with scales for inches and centimeters ***can be part of protractor if inches and centimeters are included**

Algebra 1

Scientific Calculator, such as TI-30X (IIS, IIB)
12 page protectors
highlighter
graph paper (Loose leaf)
6" ruler

Algebra 2

Scientific Calculator, such as TI-30X (IIS, IIB)
graph paper (Loose leaf)
6" ruler
12 page protectors

PreCalculus

Loose leaf graph paper
One additional set of dividers (at least 8 dividers total)
Graphing calculator, TI-83Plus, TI-84Plus, or TI-84Plus Silver Edition. These models use identical keystrokes for all functions. **(If you choose to use another model, you are responsible for learning how to use it.)**
1 stretchy book cover

AP Calculus

One single-subject 3 hole punched spiral notebook

Princeton Review test preparation book (do not purchase until discussed in class)

Graphing calculator, TI-83Plus, TI-84Plus, or TI-84Plus Silver Edition. These models use identical keystrokes for all functions. **(If you choose to use another model, you are responsible for learning how to use it.)**

Physics

One additional set of dividers (10 dividers total)

One single-subject 3 hole punched spiral notebook

Simple calculator that includes trig functions (graphing calculators are o.k.)

AP Physics

One additional set of dividers (10 dividers total)

One single-subject 3 hole punched spiral notebook

Graphing calculator, TI-83Plus, TI-84Plus, or TI-84Plus Silver Edition. These models use identical keystrokes for all functions. **(If you choose to use another model, you are responsible for learning how to use it.)**

Personal Finance

TI-30XIIB (battery) or TI-30XIIS (solar) calculator (or a graphing calculator if you already have one)

1 stretchy book cover

Literature 9

3x5 lined index cards

post-it notes

Highlighters

Journal or composition notebook

Literature 10 & 11

9x12 Sketch book

Colored Pencils

Glue Stick

Pencil Sharpener

Government & Economics

2 Binders (1 for school use, 1 for home use)

lined notebook paper

4 highlighters

3 clear page protectors

pens and pencils

extra-large stretchy textbook cover

American History, grade 11

2 Binders (1 for school use, 1 for home use)

lined notebook paper

4 highlighters

1 set of colored pencils

3 clear page protectors

pens and pencils

extra-large stretchy textbook cover

Foreign Language

One spiral notebook (70 pages) for the first year students

Current students retain their notebooks

1 set of dividers

Health

10 dividers total

Earth Science

15 dividers total

Geography

Dividers numbered 1-8

Speech

1 pocket folder

International Students (ALL)

Dual language Bible

*Language translator (not required, but cell phone or watch will not be allowed for translation)
