1 PHILOSOPHY & MISSION

1.1 Vision Statement

Heritage Christian Academy exists to equip and nurture students to be servant leaders with a Biblical Christian worldview who impact their world for Christ.

1.2 Mission Statement

To *offer* authentic faith and academic excellence in a nurturing environment.

1.2.1 Three Pillars of Education at Heritage Christian Academy

This mission statement provides “three pillars” as a framework from which the Administration will make all decisions at Heritage Christian Academy (HCA). If a program, policy, curriculum or capital improvement project does not help HCA achieve its mission of authentic faith, academic excellence and a nurturing environment, then the Administration will seriously question whether the idea should be pursued.

1.2.1.1 Authentic Faith

Heritage Christian Academy serves to partner with parents inviting students to establish and foster a relationship with Jesus Christ as Savior, equipping students to live out Christ-like character, love for God’s Word, expertise with apologetics, and service through various academic, educational, and extra-curricular opportunities in which students demonstrate love and respect for one another and compassion for others.

1.2.1.2 Academic Excellence

Heritage Christian Academy strives to provide students with highly effective educational experiences that foster a Biblical Christian worldview, where students are equipped to reason Biblically and take responsibility for their own growth.

1.2.1.3 Nurturing Environment

Heritage Christian Academy works to create a dynamic Christian community in which all members are welcomed, respected, and valued for their individual Christian testimonies and collective engagement in the ongoing growth and stability of the school and the people it serves.

1.3 Core Values

1. We value living out God’s Word in every detail of a Christian’s life.
2. We value the Christian testimony, Christ-centered character, and professionalism in the lives of staff, teachers, and administration that becomes exemplified in the lives of our students.
3. We value developing a community that is founded on Christian principles and a nurturing family environment.
4. We value Christian education, high academic standards and a curriculum that incorporates Biblical reasoning, comprehensive research, and an integration of Biblical principles.

5. We value a Biblical Christian Worldview.
6. We value Christlike servant hearts.
7. We value wise stewardship of God's resources.

1.4 *Philosophy*

A man's philosophy determines his thoughts, words, and actions. A school's philosophy determines the purpose and the goals of the institution. In summary, Heritage Christian Academy's philosophy is to help students develop a Christian world view, enabling them to glorify and honor God in their thoughts, words, and actions.

It is our belief that the Christian school operates as an extension of the Christian home. God holds parents responsible for the teaching and training of their children; therefore, the school's purpose is to complement and strengthen the home. The rationale for the existence of the school is to assist parents in providing an education that is thoroughly and distinctively Christian; challenging each student to grow in Christlikeness, as evidenced by spiritual, academic, social, physical, and creative maturity. Christian education strives to develop students who think as Christ thinks. One who thinks Christ-like views everything within the context of the eternal and strives to see things as God sees them. The school will strive for academic excellence in an atmosphere of Christian values.

1.5 *Student Outcomes*

The goal of Heritage Christian Academy is that a maturing HCA student:

1. **Understands and commits to a personal relationship with Christ and pursues ongoing spiritual development**
2. **Understands and articulates a biblical worldview and operates from that perspective**
3. **Develops Christian self-government, demonstrated by Christ-like character and biblical stewardship**
4. **Equipped to live out their God-given individuality in the realms God calls them to**
5. **Demonstrates Christ-like character as they relate and work with others**

1.6 *Statement of Faith*

1. God is self-existent, infinite, sovereign, the source of all truth and life. He is the Triune God: God the Father, God the Son, and God the Holy Spirit. Genesis 1:1; 1 Kings 8:27; Psalm 90:2, 115:3; John 14:6; Matthew 28:19
2. God is the Creator and Sustainer of the universe. Through creation He reveals His eternal power, infinity, diversity and divine nature. Creation is the general revelation of God. Genesis 1:1-23; Romans 1:20

3. The Lord Jesus Christ is God the Son. He is to have the preeminence in all things. The Lord Jesus, the expressed image of God the Father, is the only Savior of the world and the only mediator between God and man. Christ was born of a virgin. He was crucified, buried, and rose bodily from the grave. Christ will come again to establish His kingdom. Colossians 1:15-18; John 14:3, 6; 1 Timothy 2:5; Luke 1:34-38; Matthew 1:23, 3:17; 1 Corinthians 15:3-4
4. The Holy Spirit is God the Spirit sent by the Father to mankind. He is the Spirit of Truth sent to teach truth and to guide mankind into all truth. He convicts individuals of their disobedience to God; He presents the righteousness of Christ and convicts the world of the judgment at the cross. The Holy Spirit works in the unbeliever's life to bring him to Christ and to give new life. The Holy Spirit indwells the believer enabling him to obey God in the process of conforming him to Christ. John 14:16-17, 16:7-13; 1 Corinthians 6:19
5. The Bible is Truth, the Living Word, the specific revelation of God to man. The Bible is inerrant, complete and is the final authority over man. Through the Scriptures man can have knowledge and wisdom about God, life and himself. John 17:17; 2 Timothy 3:16-17; 2 Peter 1:3; Romans 15:4; Matthew 5:18
6. God created man in His own image, after His likeness, for His glory. In his original state man had communion and fellowship with God. Man chose to disobey God. Disobedience to God is sin; thus sin entered the world. This resulted in man's separation from God, eternal death being passed on to subsequent generations and an imposed curse upon the rest of creation. Because of his sin nature, man omits God and thereby fails to relate himself and his knowledge to God. Genesis 1:26, 3:1-6; Romans 1:24-28, 5:12, 8:22-23
7. Man is given new life and is brought back into a proper relationship with God by personally trusting Jesus Christ the Lord, who shed His blood in payment for sin. An individual is redeemed by God's grace through faith, not works or service. 2 Corinthians 5:17; Romans 5:1-11; Ephesians 2:8,9; Titus 3:5
8. The believer matures into Christ-likeness as he submits to the Holy Spirit and obeys the Word of God. Being Christ-like is evidenced by the fruit of the Spirit, righteous living and good works. Maturing in Christ is a process evidenced by continual growth. Romans 8:29; 2 Corinthians 3:18; Galatians 5:22, 23; Ephesians 2:10; 2 Timothy 3:16-17
9. Prayer is the vital communion between God and man, enabling man to talk with God and to worship Him. Through prayer God's power and grace are made available to the believer. Philipians 4: 6,7; Matthew 6:9 – 15; James 1:5
10. Christ has established the church and is its Head. Individuals are to be related to a local church for Christian worship, instruction, fellowship and service. Ephesians 5:23; Hebrews 10:24-25

2 CURRICULUM PHILOSOPHY

HCA regards a personal relationship with God, adherence to Scripture, and a purposeful commitment to developing Christian character as the most important components of life. It is our goal to center all teaching and learning on these principles.

Christian education begins with the study of God's Word. It is His Word that consecrates and inspires the mind and builds character and illuminates the pathways of thinking and reasoning. Therefore, God's Word is at the heart of education at Heritage Christian Academy.

HCA faculty facilitates learning that equips students to relate the facts they research to the world around them and draw conclusions through Biblical reasoning skills. The inductive style of learning equips the student with the ability to become a self-regulated, lifelong learner. From grammar to foreign languages, from mathematics to science, from history to literature, HCA provides students with well-rounded educational experiences in which they learn how to research well, think Biblically, and solve problems.

3 STUDENT ANTI-HARASSMENT POLICY

The policy of *Heritage Christian Academy* is to provide an academic environment that is free from harassment—whether based on sex (gender), race, color, national or ethnic origin, age, or disability—an environment that is free from all forms of intimidation, exploitation, and harassment (including sexual harassment), where all individuals treat each other with dignity and respect. The school includes bullying in its definition of harassment. The school is prepared to take action to prevent and correct any violations of this policy. This policy applies to the actions of administration, teachers, staff, parents, volunteers, and students. Anyone who violates this policy will be subject to discipline, up to and including termination or expulsion.

The school does not tolerate harassment of students, nor does it tolerate reprisals against any student who makes a harassment complaint. Administration, teachers, staff, volunteers, and students who violate this policy are subject to disciplinary action, including expulsion from school or discharge from employment. Any administrative personnel who receive a complaint of harassment and fails to appropriately report it or take corrective action pursuant to this policy are also subject to disciplinary action, up to and including discharge.

3.1 Definitions and Prohibited Acts

3.1.1 Sexual harassment.

“Sexual harassment” means unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:

1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual’s academic status or progress. This may occur by clearly stated acts or words or by implied acts or words.
2. Submission to, or rejection of, the conduct by the individual is used as the basis of academic decisions affecting the individual.
3. The conduct has the purpose or effect of having a negative impact on the individual’s academic performance, or of creating an intimidating, hostile, or offensive educational environment.
4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through this school.

3.1.2 Unwelcome and Offensive Actions.

The fact that a student may not openly object to others’ actions or words does not prove that they were unwelcome. Under the law of harassment, or bullying and intimidation, a student does not have to openly object to others’ actions or words to prove that the actions or words are unwelcome. Harassment, bullying, or intimidation may occur even if the student originally remains silent or fails to show disapproval. Acts and statements that may not offend some people may be highly offensive to others. Therefore, all employees, volunteers, and students should be sensitive to the feelings of others whether they object or not.

3.1.3 Verbal Harassment.

Prohibited statements include, but are not necessarily limited to, the use of derogatory descriptions of a student or group of students based on race, color, disability, ethnic or national origin, or age. It is also a violation of this policy to state stereotypical classifications concerning race, national or ethnic origin, color, age, or disability of a student or group of students, especially if they are repeatedly made. Although some students or individuals may enjoy discriminatory identifications and jokes, the school does not tolerate such on its premises or during working hours.

Examples of prohibited statements include, but are not necessarily limited to, derogatory or vulgar comments regarding a person's gender, sexually vulgar language, remarks about a person's physical anatomy or characteristics, dirty jokes, sexual innuendos, or display of written or graphic materials. Also prohibited are suggestive pictures, magazines, posters, offensive cartoons, and other words or pictures of a suggestive nature, or statements that demean women.

3.1.4 Physical Sexual Harassment.

Prohibited actions include, but are not necessarily limited to, touching a student in a sexually suggestive way, or touching another so as to invade his or her personal privacy. This includes intentional touching or intentional movements made in order to observe another in a sexual manner. Also prohibited are physical acts such as hitting and pushing, and making physical gestures of a sexual nature. As a general rule, any act or touching of a person that most individuals refrain from doing with a stranger should not be done with another student.

3.1.5 Sexual Harasser.

A harasser may be a male harassing a female, a female harassing a male, a male harassing a male, or a female harassing a female, just as long as the harassment is sexually based or based on the gender of the student.

3.1.6 Race, Color, National or Ethnic Origin, Age, and Disability Harassment.

Unwelcome statements, name calling, or other verbal or physical conduct based on a student's race, color, national or ethnic origin, age, or disability is prohibited if and when any of the following occurs:

1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual's academic status or progress. This may occur by clearly stated acts or words or by implied acts or words.
2. Submission to, or rejection of, the conduct by the individual is used as the basis of academic decisions affecting the individual.
3. The conduct has the purpose or effect of having a negative impact on the individual's academic performance, or of creating an intimidating, hostile, or offensive educational environment.
4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through this school.

3.1.7 Electronic Harassment.

Harassment may occur through a number of mediums or means, including electronic communications. The student anti-harassment policy applies to all harassment, including any that occurs by or through any type of electronic communication. This includes, but is not necessarily limited to, Internet, email, cell phones (including picture phone or text messaging as well as voice), PDA's or other communication devices, and facsimile (fax) communications of any type. This list of electronic devices is not inclusive, and the policy is intended to cover other types of electronic communication.

3.1.8 Physical Harassment.

Prohibited actions include, but are not necessarily limited to, the following:

1. Display of signs, pictures, cartoons, written statements, or other material that denigrates, intimidates, bullies, or otherwise discriminates against any student based on race, color, national or ethnic origin, age, or disability.
2. General harassment, pushing, shoving, or other intentional acts perpetrated in whole or in part because of the student's race, color, national or ethnic origin, age, or disability.

3.1.9 Definition of Bullying or Intimidation.

“Bullying or intimidation” means any written, oral, or physical act or gesture that a reasonable person under the circumstances should know will have the effect of harming a student or damaging his or her property or placing a student in reasonable fear of harm to his or her person or damage to his or her property, or that has the effect of insulting or demeaning any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, or bullying includes a gesture or an act, whether written, oral, or physical, that is reasonably perceived as being motivated by a characteristic such as sex (gender), race, color, national or ethnic origin, age, or disability.

3.1.9.1 Examples of Harassment, Bullying, or Intimidation.

Unwelcome conduct of this type can include a wide range of verbal, visual, or physical conduct of a sexual or other nature. Among the types of conduct that would violate this policy are the following:

1. Unwanted sexual advances or propositions.
2. Offering academic benefits in exchange for sexual favors.
3. Making or threatening reprisals after a negative response to sexual advances.
4. Visual conduct such as leering, making sexual gestures, or displaying sexually suggestive objects or pictures, cartoons, or posters.
5. Verbal conduct such as making or using derogatory comments, epithets, slurs, and jokes about a student's race, color, national or ethnic origin, age, or disability.
6. Verbal abuse of a sexual or other nature; graphic verbal commentaries about an individual's body, race, color, national or ethnic origin, age, or disability; sexually

degrading words used to describe an individual; suggestive or obscene letters, notes, or invitations.

7. Physical conduct such as touching, assaulting, impeding, or blocking movements.
8. Any conduct that has the effect of insulting or demeaning a student or group of students in such a way as to disrupt or interfere with the school's educational mission or that is severe, persistent, or pervasive so that it creates an intimidating, threatening, or abusive educational environment.

3.2 *Application of Anti-harassment Policy*

The student anti-harassment policy applies to school hours; to any school-sponsored event or activity, including during school-arranged transportation of any type to or from an event or activity, and whether the activity or event occurs on or off the school campus; while on school property or at school-leased facilities; or at any other time when the event or activity has any school recognition. Additionally, as a Christian school, the school has the right to expect and does expect that students and any employee of the school will conduct themselves in a Christ like manner and/or as a Christian role model. Conduct violating these biblical standards—whether occurring at school or during school-sponsored events, activities, or functions or not, or on campus or not—is subject to appropriate action by the school.

3.3 *Prohibited Actions*

3.3.1 *Employee-Student Harassment, Bullying, or Intimidation.*

Employee-student harassment, bullying, or intimidation of any type is prohibited.

However, if in the course of an investigation or subsequently HCA learns that a student or others have made a complaint that was not in good faith or it was known to be false at the time of the complaint, HCA reserves the right to take appropriate action. Students are not allowed to mingle with friends in the parking lot or other school areas after they have been picked up. They are not allowed in the playground or field area after school unless they are with a school athletic event, even with parent permission. Please pick up your children promptly at 3:30 (K-6). For students remaining at 3:30 p.m. from dismissal, teachers will escort them into the HCA After-School Care in the library and the finance office will bill you on the next month's invoice. Frequent late pickups will be charged a \$15 flat fee.

4.6 Tardy Policy

Students will be marked tardy:

1. If they are not in their seats by the 8:15 a.m.
2. Tardies will not be issued during obviously inclement weather, up to one half hour after start time. (Excluding a delayed start)
3. Any unexcused tardy in any class throughout the quarter will count toward the quarter total.

4.7 *Illnesses*

Please do not send your student to school with a fever (over 100° F). If your child becomes ill at school and has a fever, the office will call home and will expect the student to be picked up by the authorized parent/guardian and signed out in the office. Please wait a full symptom-free 24 hours before sending your child back to school.

4.8 *Unplanned Absence Policy*

4.8.1 **Notification of Absence to Front Office**

On the day of an unplanned absence, parents must call and notify the school office by 9:00 a.m.

4.8.2 **Requesting Missed Class Material**

For a request made by 9:00 a.m., parents may request work to be sent home by the teachers. Work may be picked up **after 3:15 p.m.** from the teacher or front office.

If an assignment sheet is not requested, the office will not generate one. Ultimately, the student is responsible for gathering assignments and class notes missed during an absence.

4.8.3 **Health-Related Excuse from Physical Education or Recess**

Upon returning to school a student cannot miss physical education classes or recess without a signed note from the parent.

4.9 *Planned Absence Policy*

4.9.1 **Notification of Absence to Front Office & to Teacher**

A written notification or email from the parent should be given to the office and the classroom teacher a minimum of one week in advance.

When possible, medical and dental appointments should be arranged so they will not interfere with classes.

4.9.2 **Request and Due Date of Missed Class Material**

It is at the teacher's discretion when the work needs to be completed. Some assignments may be given to work on before leaving and the remainder must be finished within an appropriate length of time determined by the teacher.

Assignments are due upon return to school or date assigned by teacher.

Failure to meet these deadlines will result in grade reduction.

4.10 *Consequences of Excessive Absences (Planned or Unplanned) and Truancy*

Parents will be notified upon the 10th absence for that class.

Upon the 14th absence, the principal will personally contact parents.

Upon the 19th absence, your student may not receive credit for that class; parents and student will need to conference with the principal.

ANY absence such as sickness, family emergencies or vacations and discretionary days will count against this 10 day total.

4.11 *Extended Illness*

Extended illness issues will be handled on a case-by-case basis by the administration.

4.12 *Leaving School Mid-Day*

Students must check with all of their teachers and get the next day's assignments before leaving each day.

Students will also be responsible for the following before the end of the next school day:

1. Making up any missed work including tests
2. Turning in any homework assignments

4.12.1 Notice to Office on Mid-Day Departure

Students are to report to the office if they have an excuse to leave early. They should do this prior to school or during first hour in the morning. Their names will be placed on the morning notices along with the time they plan to check out. The student is also responsible to make up all assignments missed.

4.13 *Signing in/out Procedure*

Parents must sign out students who are late to school, leaving for appointments and/or leaving early must sign-in and sign-out at the office.

5 *DISCIPLINE POLICY AND PROCEDURE*

5.1 *Purpose of Discipline*

The purpose of discipline is to help bring students to maturity in Christ so that they will learn to exercise self-discipline in all areas of life. Our goal is to train youth in the highest principles of Christian leadership, self-discipline, individual responsibility, personal integrity and good citizenship.

5.2 *Purpose of Student Discipline Policy*

The purpose of having a student discipline policy is to maintain a loving educational community in which each person is safe and respected. We also seek to promote an atmosphere of honesty, integrity and care for one another in order to help students grow into becoming more self-governed and cooperative members of a larger group. Any behavior which causes the learning atmosphere to deteriorate or be disrupted or which infringes upon the rights of others in the school will not be tolerated.

5.2.1 *Christian Discipline Policy*

Christian discipline is learned by submitting to authority both in the home and at school. It is one of our goals to help children become responsible for their own actions and behavior. We believe it is the shared responsibility of the home and school to accomplish this goal. Discipline is something we do for

students, not to students.

To be effective, discipline must be:

1. Based on an absolute standard which is consistent with our school's philosophy and objectives
2. Swift and impartial in order to encourage repentance, promote healing and maintain unity
3. Consistently implemented to promote respect for authority, to insure justice and to provide security for the student.

These policies are applicable at all times during the school year, including school holidays and summer months. If a student commits a severe offense the student may not be allowed to return when schools resumes.

Teachers are the primary administrators of discipline through classroom management. Chronic misbehavior and more serious behavioral issues are referred to the administration.

In addition to the general guidelines for all students, teachers may establish specific rules and procedures for their classrooms that students are expected to follow. Teachers may use a variety of means to correct inappropriate or immoral behavior in the classroom, including prayer and counseling, verbal warning, verbal reprimand, loss of privileges, loss of reward, detentions after school, etc.

5.3 *Discipline Consequences*

5.3.1 Detention

Teachers and the school administrator will use before, during, or after school detentions as a disciplinary tool. Detention means that the student is required to arrive before or to stay after the regularly scheduled school day for 20-50 minutes.

5.3.1.1 *Detention Governance Policies:*

1. Students will receive a written notice of their detention at least one day in advance. The notice will include the date and time for the detention. They are to deliver the notice to their parents for a signature. The parents should sign the notice and return it with the student to the school office. Failure on the student's part to notify parents does not affect the detention.
2. Detentions must be served on the date assigned. Parents are asked to honor the school's efforts to correct their child's behavior by requiring the student to serve the detention on the date the school assigns.
3. Detention begins when the students checks in at the office and receives his or her assignment. Students not arriving for before school detention by 7:30 a.m. or after school detention by 3:20 p.m. will not be admitted to detention, a new date will be assigned, and an additional detention will be awarded for being late.

4. Students who are absent from school on the day a detention was assigned must make up the detention.

5.3.2 Recommended for Expulsion

Any student expelled from school may have the privilege of re-applying after a minimum of one semester has lapsed. However, re-admission will be granted only if a change of attitude and/or action has truly taken place. The administration may also refer re-admission cases to the HCA Board of Directors.

5.4 Unacceptable Behavior

The Teacher is to use his/her authority with wisdom and discretion in dealing with discipline problems.

The items listed below are not an exhaustive list, but are examples of behavior which would merit disciplinary action:

1. Disrespect for those in authority including teachers, administrators, staff, substitutes, volunteers, parents, and custodians
2. The careless use or misuse of property belonging to another student or to the school.
3. Disrupting the learning environment
4. Bringing weapons to school (including but not limited to guns, knives, etc.)
5. Intentional physical injury to others
6. Disrespect or unkindness towards fellow students
7. Inappropriate and unkind language
8. Cheating
9. Theft
10. Lying

5.4.1 Disciplinary Procedures

5.4.1.1 Discipline Issued by Teacher

In the case of unacceptable behavior by a student, the teacher may exercise the following disciplinary options:

1. Confronting the student with the offense and ask, "What did you do?" in order to deal with the correct offender/offense.
2. Notifying the student's parents. The student may be told to call a parent and acknowledge the offense personally.
3. Counseling the student on correct behavior
4. Isolating the offender from others
5. Removing privileges
6. Parent-teacher conference
7. Referral to the principal or administration

5.4.1.2 Discipline Issued by Principal or Administration

When a student is referred to the principal, the following disciplinary options may be exercised depending on the nature of the offense:

1. The principal may contact the parents.
2. Counsel and pray with the student.
3. Parents may be called to school to assist in discipline.
4. After-school detention.
5. One to three days of in-school or out-of-school suspension. Upon returning to class after an out-of-school suspension, work missed must be completed. This is to insure that the student work is commensurate with the class. No credit will be given for such make-up work

6 FINANCIAL POLICIES

6.1 Holding of School Records

Report cards and transcripts will not be issued unless all library books are returned; all library and textbook fines, late pick-up fees, and tuition fees are paid. All sports uniforms must be turned in and accounts also must be up to date.

6.2 Payment Policies

No family may re-enroll for a new school year with an outstanding balance due.

Tuition payments are due on the 1st day of the month. A grace period is allowed until the 7th of the month, after which a late fee of 1.5 % per month will be added to the total amount past due.

6.2.1 Past Due Policies

If a student's account is more than 15 days past due, parents will receive a statement and/or phone call reminding them of the urgency of promptly bringing their account current and a discussion of a plan to do so.

If a student's account is more than 45 days past due, parents will be requested to submit a plan outlining a payment schedule bringing their account current so that their child may remain at school.

An account more than 75 days past due may be sent to collection and the student(s) officially withdrawn from the school. In order to re-enroll at Heritage, they must begin the enrollment process over. The re-enrollment process will not begin until ALL past due amounts are paid in full.

Official report cards, transcripts, and records will not be released or sent to other schools or colleges with any outstanding balance.

A \$25 charge will be assessed for each insufficient funds check.

6.3 Early Withdrawal Policy

Because HCA must make a full year commitment to its faculty, students withdrawing ten days or more after their registration date must pay an early withdrawal fee of \$250.

As the school year costs are allocated over the assigned school days and tuition payments are made according to the payment plan chosen, a refund or an additional amount may be due at the time of withdrawal.

7 GRADING AND TRANSCRIPT POLICY AND PROCEDURES

7.1 Coursework & Grading

Grades will be based on daily assignments, long-range projects, reports, class participation and tests.

7.1.1 Extra Credit

Extra credit may be given sparingly. If a teacher chooses to give extra credit, it generally will be offered to the entire class, not just to an individual student based on the individual need.

7.1.2 Late Homework

In General, if homework is not turned in by the due date, the following will apply:

- 1 day late—the highest grade possible would be a 75%
- any additional days late—will be up to the discretion of the teacher
- repeat offenders will receive a zero on any late work

7.1.2.1 Late Homework due to Technology Problems

If students experience computer or printer problems at home while doing homework or projects, they must email the teacher and explain the issue before the class time. If the student's printer breaks down, they should first email their assignment to a friend who could print it. If that is not an option, the student must email the assignment to the teacher, but the assignment grade will be reduced by 20% as a "late penalty". The school is not responsible for printing student work. Students should not ask teachers to print for them, and the computer lab printer may not be available before school or between classes for students to print.

7.2 Report Cards

Report cards are available at the end of each nine-week quarter. Students are evaluated on both academic achievement and conduct. Parent-teacher conferences will be held at the end of the first and third quarters.

7.2.1 Repeating a Grade

The recommendation that a student repeat a grade is based on the concern that a student would not thrive in the next grade level. The student's teacher(s), parents and administration will cooperatively work together in making this decision.

7.3 Grade Scales & Student Conduct Evaluations

Student conduct evaluations, which are on each report card, will be based on the teacher's observation of the student both in and out of the classroom.

| <u>Standard Course</u> | | |
|------------------------|-------------------|--|
| <u>Grade</u> | <u>Percentage</u> | |
| A | 90 – 100 | |
| B | 80 – 89 | |

| | S = Satisfactory | 2 |

| | N = Needs Improvement | 4 |
| | | 5-Needs Significant Improvement |

7.4 *Homework Policy*

Elementary students need to develop good study patterns and spend quality and quantity time with their families. Realizing that these students are children with diverse developmental needs, it is with balance and with gradually increasing expectation levels that the homework policy is given.

1. The following times represent our guidelines on assigned homework: Please remember that these are only guidelines representing the average amount of time spent on daily homework. Student ability, initiative, and thoroughness also play into the time spent on homework.

Grade 1: 10 minutes

Grade 4: 40 minutes

Grade 2: 20 minutes

Grade 5: 50 minutes

Grade 3: 30 minutes

Grade 6: 60 minutes

2. Additional time may be necessary for weekly test preparation, special projects, incomplete classroom work and/or reports.
3. If a student is spending an undue amount of time on homework, communication between the parent and teacher is necessary to discuss observations, possible reasons, individual needs, abilities and possible assignment adjustments.

GENERAL HCA POLICIES AND PROCEDURES

9.3 DRESS CODE POLICIES

Parents are responsible to help their student adhere to the dress code before their student leaves home so that school and home may work in harmony with one another. If questions exist on certain styles or types of clothing, parent and student should refer them to the principal in advance of the student wearing the item in question.

Heritage Christian Academy strives to develop godly inner qualities in its students that will then be reflected in their outward appearance. 9.18 *Communication with Parents/Guardians*

9.18.1 **Parent Communication Meetings**

Parent Communication Meetings provide for informal fellowship between parents, staff and board members. These gatherings are held to keep our families informed of the school's operations, policies and to strengthen the Christian home and relationships in the school family. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses."

All issues relating to conflict should be held in the strictest confidence. Generally, if the parties involved believe they are physically, spiritually, and emotionally safe, the following steps should be followed if personal conflicts develop between teacher, student, staff member and/or parent.

1. Talk and pray (for clarity of facts, wisdom in discerning the root of the issue, for God is protect the unity of believers in midst of the confusion, etc.) with one another. Be kind as well as gentle and choose the time and place best for both parties involved.
2. Together develop a written plan of action to help resolve the conflict.
3. Allow the resolution plan of action a chance work. Have a stated time frame.
4. If the situation is not resolved, then involve the Administration.
5. The Administration will depend entirely on Christ in helping to mediate the conflict. While not an all-inclusive list, some methods used by the Administration will be praying, gathering facts and details, ensuring communication and understanding, creating a safe environment for

resolution, rebuilding trust among parties, directing parties to resources/advice to help advise, affirms wise choices, and giving Godly instruction and counsel.

6. A new written plan of action will be developed with an appropriate time frame.

In the event that a person understands that initially approaching the person one-on-one is unwise or unsafe, please prayerfully present the conflict to the Administration so that it may address and attempt to resolve the conflict. The reason for this exception is that while the Matthew 18 model works in most situations, HCA recognizes that at times an imbalance exists that does not allow for a neutral environment for resolutions to be explored. These imbalances may be created by many things some of which are spiritual maturity differences, physical safety issues, positional differences (ex: permanent teacher vs. student teacher), etc.

9.18.1 Professional Policy Conflicts:

Concerns should be first submitted and discussed with the Administrator. The Administrator will determine whether the policy issue falls under the Head Administrator's or the Board's jurisdiction. Then the appropriate party will review the applicable issue against policy and determine a proper course of action. Discussion of the issue and final decision will be communicated to the person(s) concerned, and to others on a need-to-know basis.

In rare situations either the Administrator or the person raising the policy issue may petition the President of the HCA Board of Directors to determine if the HCA Board of Directors should review and assess the situation. However, this policy is used infrequently in high level cases such as HCA liability or legal issues, disregard for all policies, etc. Appropriate channels should be attempted before the board is involved, unless there is direct conflict with the administration.

In both the personal and policy conflicts, strict confidentiality is to be maintained at all times. Please do not involve other co-workers, outside parties, or HCA stakeholders (parents, students, community partners, etc.) in school-related conflicts. This includes offering the details of the situation in a seemingly innocent public "prayer-request." Our Lord knows the details, therefore, the party praying for you needs only to pray for your needs of clarity, reconciliation, strength, wisdom, etc.

9.18.2 HCA Board of Directors

The HCA Board of Directors is comprised of four to nine people who are professing Christians who believe in the authority of the Bible as Truth and the Lordship of Jesus Christ. They are men and women of prayer who offer their time and talent as they serve God at Heritage. Board members understand the distinct philosophy of Christian school education and commit their time to refining this ministry for Heritage families. The board seeks to establish a positive image of Heritage through communication and association with our constituency and community.

The role of the board is to provide governance leadership and to pursue through its policies, the mission of the school and to ensure that these policies are implemented by the administrator. The board approaches its task with a style that emphasizes foundational documents and philosophical statements rather than preoccupation with the day-to-day management of the school. They focus on strategic policy-directed leadership more than administrative detail, and they have clearly designated the administrator as the visible leader of the school.

9.18.2.1 HCA Board of Director Meetings

Board meetings are generally held monthly. For specific dates and times, check with the office. If you have an item for consideration, please call the administrator in advance for inclusion on the agenda. Board meetings are open to parents and staff.
