

HCA Transportation Registration 2020-2021

We provide a school van service for those commuting from the Loveland and South Fort Collins areas. The van will be making two stops each morning: **7:10 am at King Soopers** (NE corner of Hwy 287/29th Street) and the final stop will be at **7:25 am at South Gate Church** (NW corner of Hwy 287/Trilby).

In the afternoon, the van will leave Heritage at 3:20 pm and return to **Southgate at 3:45 pm** and **King Soopers at 4:00 pm**.

The cost is **\$180/semester** for the first child and **\$80/semester** for each additional child(ren). In order for the van to operate efficiently we need to know which stop your children will be waiting at daily.

The van driver is unable to wait at any given stop. If a parent is late in picking up their child, the van will return to the school and parents will need to pick up their child(ren) here.

Please complete the bottom portion and return with payment to the office.
